Warmer homes, better health.

# Health Through Warmth

If you own your own home and you don't have heating or your heating has broken down, Health Through Warmth may be able to help you.

## Types of help available:

- Cavity wall & loft insulation
- Boiler repair or replacement
- Heating systems or appliances
- Energy efficiency advice
- Access to funding

## How you qualify\*:

- You have a long-term illness
- Your heating is broken or you have no insulation
- You have a low income with little or no savings (assessed)
- You're a homeowner and have lived there for over a year.

Any help offered will depend on your circumstances. Health Through Warmth is a scheme run by npower, but you don't need to be an npower customer to apply for help. You will need to qualify though, and we're happy to talk to you about the criteria in more detail.
